2026 AFE 以「破界而立，智造未來」為核心主題，聚焦產業升級，深入探討殯葬業在產品迭代、服務品質、經營管理、智慧科技、行業形象、品牌建設及人才培育等維度的綜合提升路徑。國際會議邀請全球二十餘位權威專家與資深從業者，圍繞環保殯葬、專業化建設、高品質服務等議題展開深度研討，內容涵蓋國際殯葬趨勢、防腐技術應用、綠色殯葬推行等熱門話題，充實且具實務參考價值。

## Foreword & Welcome Message

It's my great pleasure to welcome you all to the Asia Funeral and Cemetery Expo & Conference 2026 (AFE).

Since its inauguration in 2008, AFE has established itself as one of the largest and most professional industry events for the funeral and memorial services sector across the Asia-Pacific region. It has long served as a premier platform for global practitioners to facilitate trade collaboration, explore emerging markets and expand industry connections. This year's exhibition features an expanded scale and a more diverse range of displays. There will be a dedicated zones for Pet, Monument & Stone, Technology and Green Funeral. Exhibitors from China, Southeast Asia, Japan, Europe and the United States will present cutting-edge products, advanced technologies and premium services, bringing fresh insights and innovative perspectives to the entire industry.

Under the theme "Breakthrough and Beyond", AFE 2026 will focus on key development strategies amid a rapidly evolving market landscape. Discussions will centre on the comprehensive enhancement of funeral product innovation, service quality, operational management, technological application, brand building, marketing development and talent cultivation. The international conference programme will delve into critical industry topics, including global and regional funeral industry trends, professional embalming practices and the sustainable development of green burial.

Since 2010, AFE has launched the Post Show Study Tour initiative, aiming to strengthen cross-border exchanges and enable industry professionals from across the Asia-Pacific to engage more actively in global collaboration. Following successful tours to the Philippines, Taiwan, South Korea, Japan, East China, Malaysia, Australia and Mongolia, this year's study tour will head to Hiroshima, Japan. Through on-site visits and in-depth exchanges, we seek to deepen global understanding of Japanese funeral culture, showcase distinctive local memorial traditions to the world, and further drive international business and cultural interaction.

We would like to extend our sincere gratitude to the advisory panels, co-organiser, sponsors, supporting organisations, industry experts, speakers, exhibitors, buyers and all partners for their invaluable support and dedication. Your continuous backing has been fundamental to the long-term success and sustainable development of AFE. Side by side with all industry peers, we will unlock new opportunities and create unlimited potential for the sector.

Lastly, may all exhibitors and visitors gain fruitful outcomes and rewarding experiences at AFE 2026. We look forward to connecting with you again at our upcoming events.

## NFDA

Dear colleagues:

On behalf of the National Funeral Directors Association, it is our honor to welcome you to the 2026 Asia Funeral and Cemetery Expo & Conference in Hong Kong, a global crossroads where tradition and innovation come together, and where East and West connect to shape the future of funeral service.

As the largest international gathering of its kind in Asia, AFE brings together funeral professionals, cemetery leaders and supplier partners from across the region and around the world. Over the next several days, you will experience a dynamic exchange of ideas through exhibitions, educational sessions, site visits and meaningful conversations with colleagues who share your commitment to service.

This year's conference invites us to reflect on how our profession continues to evolve - from advances in technology and changing consumer expectations to new approaches in memorialization and care. At the same time, the foundation of our work remains constant: compassion, dignity and respect for every life we are entrusted to honor.

While customs and traditions may vary across cultures, our purpose is shared. Each of us is called to guide families through loss, to create space for remembrance and to provide support when it is needed most. Gatherings like AFE reinforce that shared purpose by creating opportunities to learn from one another and to build lasting professional relationships across borders.

May your time here be filled with discovery, connection and inspiration. May you leave with new ideas, strengthened partnerships and a renewed sense of purpose in the important work you do each day.

Welcome to AFE 2026. We are honored to be here with you.

Most Sincerely,

## ACCA

On behalf of the Australasian Cemeteries and Crematoria Association (ACCA) and our members, I extend our warmest congratulations to you and your esteemed team for organising the 2026 Asia Funeral and Cemetery Expo and Conference. We offer our sincere wishes for great success and prosperity to all involved in delivering this important and meaningful gathering.

ACCA is honoured to once again attend and participate in the AFE. Events of this calibre provide invaluable opportunities for professionals to come together in the spirit of cooperation, mutual respect, and shared learning. They allow us to strengthen relationships across borders, exchange knowledge, and explore innovations that support the respectful care of families and the honouring of life's legacy.

In many cultures across the world, the values of remembrance, filial piety, and respect for ancestors are deeply cherished. Our work carries a profound responsibility—not only to serve communities, but to uphold traditions, dignity, and continuity between generations. It is through gatherings such as this that we reaffirm these shared values and work collectively to advance our profession with care, integrity, and compassion.

At a time of global change and uncertainty, coming together as colleagues and friends strengthens our unity and shared purpose. By learning from one another and embracing both tradition and innovation, we ensure that our services continue to meet the evolving needs of our communities while honouring the past.

On behalf of the ACCA Board and our members, I warmly invite you to attend the ACCA Annual Conference, to be held on the Gold Coast, Australia, from 1–4 September 2026. As the largest cemetery and crematorium conference in Australasia, this event brings together delegates from Australia, New Zealand, Asia, Europe, and beyond, alongside leading experts, speakers, and academics.

This year's conference theme focuses on building meaningful connections with our communities and ensuring we serve them with understanding, respect, and foresight—both now and into the future. We would be truly honoured to welcome our colleagues from across China, Asia, and around the world to the Gold Coast, where we can deepen partnerships, exchange ideas, and continue to support one another in this important work.

ACCA is also pleased to assist international delegates in arranging site visits and tours to some of Australia's most beautiful cemeteries and crematoria, offering opportunities to share knowledge and experience in a spirit of friendship and collaboration.

Once again, we extend our heartfelt wishes for the continued success of the 2026 Asia Funeral and Cemetery Expo. May this gathering bring prosperity, meaningful connections, and lasting contributions to our shared profession.

## Philippine Mortuary Association

On behalf of funeral professionals across the region, we extend our warmest congratulations to the organizers, exhibitors, and attendees of the Asian Funeral Expo 2026. This gathering once again demonstrates the power of a community united by purpose — the unwavering commitment to serve families with dignity, compassion, and excellence during their most difficult hours.

To the Organizers: Your dedication and professionalism in establishing a venue where funeral professionals can gather, celebrate, and exchange ideas is remarkable. Creating a space that honors both the tradition and innovation of our profession requires vision, passion, and extraordinary effort — and you have delivered on all counts.

To the Exhibitors & Attendees: The AFE serves as an invaluable avenue not only for showcasing the latest in funeral technology and services, but also for the sharing of ideas — both new and timehonored. Whether you came to exhibit a groundbreaking innovation, discover the newest solutions, or simply reconnect with colleagues, your presence here has made this expo a resounding success.

The expo is also a opportunity to meet both new and old friends in the profession. To network with like-minded individuals who share the same vision of raising the standards and setting the bar high for funeral practitioners around the world. It is in these connections that the spirit of our calling is renewed and our resolve to serve with excellence is strengthened.

It is gatherings such as these that inspire practitioners to remain students of continuous learning, and to serve with unwavering dedication and heart. The funeral profession is not merely a business — it is a calling. And the AFE stands as a testament to how seriously its members take that calling.

Congratulations, AFE, for another successful and inspiring expo!

## Philippine Mortuary Association

On behalf of the Philippine Mortuary Association (PMA) and the entire Philippine funeral and mortuary profession, it is my honor to extend our warmest greetings to all international guests, exhibitors, delegates, and industry leaders gathered here at the Asia Funeral and Cemetery Expo and Conference (AFE) MAY 2026 in Hong Kong.

The AFE has long stood as the premier platform for our industry in Asia a place where professionals from across the globe come together not merely to do business, but share knowledge, forge lasting partnerships, and together elevate the standards of care we extend our client families.

We are proud that the Philippines has been a consistent participant in AFE, and we are honored once again to stand shoulder to shoulder with colleagues from around the world united by a common calling.

In our profession, we are entrusted with one of life's most sacred responsibilities to accompany families through their most vulnerable moment in life. Expos like AFE remind us that while our cultures and traditions may differ, this shared mission binds us all.

I can speak to this personally. Over the years, attending conventions like this one has given some of the most meaningful

relationships of my professional life. I am proud to call colleagues from Japan are among my closest friends in this industry, bonds that began in events like this, in rooms just like this one, over a shared passion for our craft. I look forward to deepening those friendships with every gathering, and I come to AFE 2026 even more eager to welcome even more kindred spirits into that circle.

And if I may share one more personal note, one that I believe speaks to the truly special nature of this community. It was at this AFE convention back in 2011 that I had the great fortune of meeting the woman who would become my wife. This industry has given me more than a career. It has given me a life. So, when I say that these gatherings matter, please know that I mean it in the deepest possible sense.

We acknowledge the hard work and dedication of the organizers of AFE 2026 for continuing to build a world-class event that brings together the latest innovations in our industry and for providing a conference program that keeps our industry at the forefront of change.

To every international guest and fellow professional: you are most welcome here. May the connections you make, the insights you gain, and the friendships you build this week enrich not only your businesses, but the communities and families you serve back home and who knows, perhaps even your personal life in ways you never expected.

以科技為橋，在變革中守住生命的溫度

時光飛逝，我們今年再次迎來了兩年一度的亞洲殯儀及墓園博覽暨會議（AFE）。自2008年舉辦至今，這場備受亞洲乃至國際矚目的行業盛會，依然是亞洲規模最大、最具權威的殯葬博覽會。歷屆，來自世界各地的參與者無不從中汲取養分，在交流與學習中，為個人與企業的發展帶來躍升與突破。

在人工智能蓬勃發展的時代浪潮下，各行各業正經歷前所未有的轉變，殯葬業者也開始重新思考未來的服務模式，而富貴集團也不例外。去年，富貴集團在成立35週年之際，以初心擁抱未來，在科技與人文的融合之下，率先推出了《富與AI》，成為馬來西亞首家提供AI告別式服務的殯葬企業。

科技，可以幫助我們彌補遺憾，圓滿一段關係，甚至提升日常服務效率與流程。但我們始終相信，在這個充滿挑戰與機遇的時代，殯葬業的發展，不是技術的競逐，而是價值與溫度的體現。未來的考驗，在於我們是否仍能以專業與良心，回應每一份生命的重量。

而這份溫度，正是在AFE這樣的平台中，持續被凝聚與傳承。多年來，AFE持續促進交流與合作，為業界帶來啟發與進步。相信本屆AFE也將延續這一使命，為業界帶來更多實質性的幫助與前瞻性的啟發，我們也期待與同業攜手，繼續以真誠和初心推動整個殯葬行業乃至社會的未來發展。

富貴集團在此衷心祝賀：2026亞洲殯儀及墓園博覽暨會議圓滿成功！
